AMENDMENT

Assistant Commissioner for Patents
Washington, DC 20231

Sir:

This Amendment is filed in response to the Office Action dated May 8, 2002 issued by the United States Patent and Trademark Office in connection with the above-identified Application. A response to the Office Action was due August 8, 2002. Applicants are concurrently filing a Petition for a One-Month Extension of Time, including the required fee. Therefore, a response is due September 8, 2002. Accordingly, this Amendment is being timely filed.

Kindly amend the above identified application as follows:

In the Claims:

Please amend the claims as follows:

10. (Twice Amended) A method comprising:

providing a first method of power control in a radio frequency power amplifier for a desired output power at a first range of power values which is below a threshold; and

providing a second method of power control in said power amplifier for a desired output power at a second range of power values which is above or at said threshold[.].
